El-Tec Mulej Signs Exclusive Agreement for Sales in the Balkans

7-Technologies is happy to announce that we have signed an exclusive sales agreement with El-Tec Mulej for the sales of AQUIS and TERMIS in the Balkans. The agreement covers Bosnia-Herzegovina, Croatia, Macedonia, Montenegro, Serbia and Slovenia.

"El-Tec Mulej has shown an enormous commitment regarding AQUIS and TERMIS. El-Tec Mulej's position in the Balkans together with their technical ability makes El-Tec Mulej an ideal partner for 7T," says Area Sales Manager Helle Due, who is responsible for 7T Utilities partners in Eastern Europe.

"El-Tec Mulej sees AQUIS and TERMIS as the leading products within this field," says Managing Director Joze Torkar, who continues, "The Balkan market has developed a lot over the last couple of years, and the water and district heating utilities are extremely interested in moving towards tools that will reduce costs and assist the operations".

El-Tec Mulej has been a 7T business partner since 2005.
